

Resolution 09-03
**Supporting the State of Wisconsin's Goal of Replacing 25% of Its Electric Power
and Transportation Fuels from Renewable Resources by 2025**

Whereas, in April 2007, Governor Doyle issued Executive Order 192 creating the Office of Energy Independence (OEI) to take on the challenge of leading the State to replace its current electricity and transportation energy use with 25% renewable resources by 2025; and

Whereas, Executive Order 192 marked the beginning of an effort to become the nation's leader in the drive toward energy independence, moving United States citizens away from their dependence on foreign oil; and

Whereas, Wisconsin's natural resources create an opportunity for the State to be a leader in the emerging bio-fuel and renewable energy market which will create good paying jobs in Wisconsin.

Now Therefore Be It Resolved, that the City of Rice Lake is committed to advancing the State of Wisconsin's vision for energy independence by generating 25% of the City of Rice Lake's electricity and 25% of its transportation fuels from renewable resources by 2025.

Adopted this 10th day of February 2009.

CITY OF RICE LAKE

Daniel J. Fitzgerald, Mayor
